September 18, 2008

On September 16, 2008, the Federal Reserve announced that it would extend credit to the American International Group (AIG) under the authority of section 13(3) of the Federal Reserve Act. This secured lending will assist AIG in meeting its obligations as they come due and facilitate a process under which AIG will sell certain of its businesses in an orderly manner, with the least possible disruption to the overall economy. The Board's H.4.1 statistical release, "Factors Affecting Reserve Balances of Depository Institutions and Condition Statement of Federal Reserve Banks" will report this lending in "Other credit extensions" in table 1 and in "Other loans" in table 3, table 4, and table 5.

Consistent with generally accepted accounting principles, the assets and liabilities of Maiden Lane LLC have been consolidated with the assets and liabilities of the Federal Reserve Bank of New York in the preparation of the statements of condition shown on this release.
